EDUCATION

Bachelor of Science in Psychology, *summa cum laude* (GPA: 3.97) August 2018
Eastern Michigan University, Ypsilanti, MI

- Honors: Phi Kappa Phi, Psi Chi
- Minor: Social Work

RESEARCH EXPERIENCE

University of Iowa Department of Psychological and Brain Sciences July 2018–Present
Research Lab Coordinator

Developmental Psychopathology Lab, Principle Investigator: Isaac T. Petersen, Ph.D.

- Manage and direct longitudinal research study on the development of self-control and behavior problems in 3–7-year-old children
- Create study materials and protocols
- Direct recruitment, screening and enrollment, scheduling, data collection, tracking and retention of participants through the course of their 27-month participation
- Manage IRB modifications and renewal applications
- Lead weekly lab meeting in discussions about research-related quality control and improvement, professional development workshops, and critical analysis of academic articles
- Train and supervise team of 12 undergraduate research assistants in behavioral task administration, data entry, and video coding for a 2.5-hour visit with 21 tasks
- Mentor research assistants in professional development and research skills, honors thesis projects, college life, and preparing for graduate school
- Develop and maintain administrative, lab management, recruitment, and video coding systems
- Lead quality control and improvement initiatives focused on refining study task sequencing and administration, data entry, and video coding

Eastern Michigan University Psychology Department April 2017–Present
Student Investigator

Independent Undergraduate Research, Advisor: Angela D. Staples, Ph.D.

Perfectionism and Coping Strategies in Graduate Students. Developed repeated measures study design, literature review, IRB application, Qualtrics survey, and recruitment strategy; managed graduate participant recruitment and compensation; received data analysis training for RStudio, using R Markdown files to create PDF/Word reports; produced 2 conference presentations; first-author manuscript in progress (submission planned in August 2019)

Maladaptive Perfectionism and Problem Drinking (MPPD). Developed repeated measures study design, literature review, IRB preparation, Qualtrics survey, and recruitment strategy; managed undergraduate participant recruitment; received data analysis training for RStudio, using R Markdown files to create PDF/Word reports; produced 1 conference presentation, which received a Midwestern Psychological Association Regional Research Award; independently wrote grant proposal for Psi Chi Undergraduate Research Grant and received funding for subsequent semester of data collection

Recognizing Addictive Disorders (RAD) Study

Principle Investigators: David M. Ledgerwood, Ph.D. & Meagan M. Carr, Ph.D.

Recruited, consented, and administered measures to study participants at a Detroit methadone clinic serving a low-income, high-risk population; assisted with study protocol development, survey development using Qualtrics, survey dissemination and maintenance using Amazon Mechanical Turk, database development using a double-entry design in Excel, and extensive data entry for all pen-and-paper surveys; produced 4 conference presentations

Pro Study for Pregnant Women

Principle Investigators: Leslie H. Lundhal, Ph.D., L.P. & Jennifer D. Ellis, M.S.

Database development using a double-entry design in Excel, extensive data entry, preparation of all IRB modification and renewal applications, and attended team meetings

PROFESSIONAL PRESENTATIONS

Oral Presentation:

Page, J. L., Carr, M. M., Ellis, J. D., Urbiel, J. J., & Ledgerwood, D. M. (2017, September).

Correlates of depression among methadone-maintained patients. Datablitz presentation at the 3rd Annual Researchers of Biobehavioral Health in Urban Settings Today (RoBUST) Fall Symposium, Detroit, MI.

Poster Presentations:

Page, J. L. & Staples, A. D. (2019, May). *Coping strategies and alcohol use are differentially related to stress and alcohol consequences.* Poster presented at the 31st Association for Psychological Science (APS) Annual Convention, Washington, DC.

Page, J. L. & Staples, A. D. (2019, April). *Maladaptive drinking and perfectionism in graduate students.* Poster presented at the 2019 Collaborative Perspectives on Addiction Meeting, Providence, RI.

Ellis, J. D., Carr, M. M., **Page, J. L.,** & Ledgerwood, D. M. (2019, April). *Predictors of endorsing multiple addictive behaviors within a treatment sample.* Poster presented at the 2019 Collaborative Perspectives on Addiction Meeting, Providence, RI.

Page, J. L. & Staples, A. D. (2018, April). *Maladaptive perfectionism and problem drinking in college students.* Poster presented at the 90th Annual Meeting of the Midwestern Psychological Association, Chicago, IL.

Carr, M. M., Ellis, J. D., **Page, J. L.,** Urbiel, J. J., Ledgerwood, D. M., & Saules, K. K. (2018, March). *Age moderates the relationship between self-reported impulsivity and addictive behaviors.* Poster presented at the 2018 Collaborative Perspectives on Addiction Meeting, Tampa, FL.

Carr, M. M., Ellis, J. D., **Page, J. L.,** & Ledgerwood, D. M. (2017, May). *Clinical and psychosocial factors associated with gambling-related suicidality.* Poster presented at the 31st National Conference on Problem Gambling, Portland, OR.

GRANTS & AWARDS

Marshall/McKeachie Award Eastern Michigan University April 2018
\$750 award from the Department of Psychology for best poster presentation at the annual Eastern Michigan University Undergraduate Symposium

Individual Professional Development Scholarship Eastern Michigan University February 2018
\$400 travel award to fund attendance and presentation at the 2018 Annual Meeting of the Midwestern Psychological Association

College of Arts and Sciences Dean's Travel Award Eastern Michigan University February 2018
\$400 travel award to fund attendance and presentation at the 2018 Collaborative Perspectives of Addiction Meeting (CPA) of the Society of Addiction Psychology (APA Division 50)

Psi Chi Undergraduate Research Grant Psi Chi Honor Society December 2017
Perfectionism and Coping Strategies in Graduate Students
\$1500 student grant plus additional \$1500 faculty mentor match awarded to top 11 proposals

Psi Chi Regional Research Award Midwestern Psychological Association December 2017
\$300 research award given to approximately 3% of submissions for presentation at the Annual Meeting of the Midwestern Psychological Association

CLINICAL EXPERIENCE

Lab Coordinator University of Iowa, Iowa City, IA 2018–Present
Administer highly proceduralized 2-hour battery of standardized tasks evaluating cognitive abilities, academic achievement, sustained attention, emotion regulation, delay of gratification, and inhibitory control to a community sample of children ages 3-7

Research Assistant Tolan Park Methadone Clinic, Detroit, MI 2017–2018
Recruited, consented, and verbally administered 1-hour battery of questionnaires examining addictive behaviors, impulsivity, mood and anxiety disorders, and adverse childhood experiences to a sample of approximately 75 older middle-aged Detroit residents actively enrolled in methadone treatment

Program Assistant Big Brothers Big Sisters, Ypsilanti, MI 2016–2018
Operated in a direct support role for agency executive director and staff social workers at a nonprofit organization with the mission of providing mentorship to roughly 400 at-risk youth and adolescents from the community. Responsible for first contact with inquiring families and volunteers; initiated program enrollment for all participants; maintained participant cases with data entry, database management, and conducting reference and background checks; connected program participants to community resources; assisted with program fundraisers and participant events; collaborated with executive director and staff social workers for quality improvement initiatives

Shelter & Helpline Volunteer SafeHouse Center, Ann Arbor, MI 2017
Answered crisis calls from the Detroit and Ann Arbor communities related to domestic violence and sexual assault; assisted shelter staff with new resident intakes; connected shelter residents to community resources, answered questions, and provided emotional support

Classroom Volunteer Cottage Lake Elementary School, Woodinville, WA 2012–2013
Aided teacher and paraeducator in special education preschool classroom of 15 students with setting up projects, guiding children through daytime transitions, and engaging with them during free time

TRAINING AND CERTIFICATION

Crisis Intervention Training 32 hr Introductory Training Course July 2017
Eastern Michigan University, Ypsilanti, MI

QPR Suicide Prevention Training SAFE Now Grant (SAMHSA, DHHS) May 2017
Eastern Michigan University, Ypsilanti, MI

Domestic Violence and Crisis Intervention Training 40 hr Volunteer Training March 2017
SafeHouse Center, Ann Arbor, MI

Motivational Interviewing Training 16 hr Introductory Training Course February 2017
Eastern Michigan University, Ypsilanti, MI

TECHNICAL SKILLS

Data Collection, Entry, and Database Management

Microsoft Office Suite: extensive use of Excel and Access to create and maintain databases

REDCap: project modification, administration, and data entry

Qualtrics: survey development and dissemination

Amazon Mechanical Turk: survey development and dissemination, participant compensation

Data Analyses

RStudio, using R Markdown to create PDF/Word reports for analyses

Literature Reviews

PsycINFO/PsycNET, Google Scholar

Mendeley: reference management

ABBREVIATED WORK HISTORY

Lab Coordinator, University of Iowa, Iowa City, IA 2018–Present
Peer Mentor, Eastern Michigan University Psychology Department, Ypsilanti, MI 2017–2018
Program Assistant, Big Brothers Big Sisters, Ypsilanti, MI 2016–2018
Administrative Assistant, Reliant Physical Therapy, Mission Viejo, CA 2014–2015
Office Coordinator, SF Sport and Spine Physical Therapy, San Francisco, CA 2010–2011
Managing Editor & Advertising Manager, Green River Community College, Auburn, WA 2007–2008
Customer Service in management, hospitality, administration, and clerical roles 2007–Present
